Civics Leadership Scholarships

This scholarship awards students who have demonstrated **academic success, personal strength and determination** in their commitment to civic engagement and leadership.

High school graduates with a minimum cumulative GPA 2.0 who display civic leadership capability and potential should apply for the scholarship. Applications are due on or before the Fourth Wednesday of June each year for consideration for the Fall Trimester.

Applications are reviewed by a selection committee which examines academic qualifications, evidence of leadership skills and extra-curricular involvement as well as recommendations from high school teacher's/guidance counsellors, principals or community leaders. Selected applicants are invited to campus for an interview after which recommendations are forwarded to the President for final approval.

- Civic Leadership Scholarships are partial tuition grants. The scholarship is renewable annually for up to two years as long as scholars maintain a minimum GPA of 2.0, while exercising practical national civic leadership as well as in Cyber Tech Career College activities and the wider community.

Specifically, scholars:

- Receive an academic scholarship of up to 33% of tuition fees per trimester to cover tuition and related Cyber Tech Career College expenses.

- are mentored by the Faculty of Cyber Tech Career College.
- are involved in some program that brings empowerment and a positive image to the College and its students.
- Participate in a leadership development program.

Requirements

- The recipient is required to:
  - Be involved civically.
  - attend leadership workshops and seminars,
  - participate in service-learning activities,

- o   join at least one campus organization,
- o   assist with Cyber Tech Career College's programs and activities,
- o   participate in the College's recruitment exercises,
- o   be an ambassador of the College,
- o   be mentored by the President's appointee,

Requirements

To remain eligible for the award, scholars must:

- maintain a minimum cumulative GPA of 2.0 every trimester;
- enroll in a minimum of 12 credit hours per trimester;
- complete 20 hours of community service per trimester; and
- participate in a comprehensive leadership development program.
