

Virtual-Online College Prep Program

WHAT THIS PROGRAM IS ABOUT?

The purpose of The College Preparatory Program is to prepare students for the more rigorous and challenging work load they will have to contend with in their first year of college.

This program is also designed for those students who have not met the academic entry requirements for college level courses at Cyber Tech Career College. Upon successful completion of this program, students will be able to gain direct entry into Cyber Tech Career College's Undergraduate Associates Degree Programs.

ADMISSION REQUIREMENTS:

Cyber Tech Career College gives all students the opportunity to pursue an education beyond high school. Student must be 17 years of age and out of High School before the start of the Fall Trimester. Mature students can also enroll in these classes.
