BJC & BGCSE PREPARATORY CLASSES

FREQUENTLY ASKED QUESTIONS

HOW LONG IS THE BJC/BGCSE PREPARATORY PROGRAM?

Coverage of the subject content is intended for a period of approximately three years, beginning in grade 7 for BJC and grade 10 for BGCSE as outlined by The Ministry of Education. We have condensed the syllabus into a nine month two semester program, each semester is Fifteen weeks.

DO I NEED TO ATTEND BOTH SEMESTERS?

Our instructors have selected a list of course topics that they felt covers a broad spectrum of subject areas. It is recommended that students attend both semesters. It is also the responsibility of the student to attend classes as scheduled because new subject matter will be covered on a weekly basis. Class participation is a must, homework assignments must be turned in on time.

WHO CAN TAKE THE BJC AND BGCSE CLASSES?

Our classes have been designed for the busy individual who wants to upgrade themselves for a better job or job advancement. These classes will also help the high school student who is struggling to keep up with the fast pace of the regular daily classes.

I HAVE BEEN OUT OF SCHOOL FOR YEARS, WILL THE CLASSES BE DIFFICULT FOR ME?

Cyber Tech Career College's high quality teaching methodology is designed to meet the needs of students returning to school and or juggling multiple priorities (education, career, family, etc.). Our instructors are available to assist you with your course work and guide you through the program of your choice. We are deeply committed to the success of our students and will guide you every step of the way.
